### APPLICATION FOR A TEMPORARY FOOD FACILITY PERMIT

Applications must be submitted at least (2) two weeks before the day of the event. Failure to submit within the required time frame may result in denial of your permit application. Applications submitted after the 2 week deadline may be accepted along with the submittal of a late processing fee of \$75. Each booth must complete a permit application.

#### BACKGROUND

The California Health and Safety Code, Sec. 114387 requires a Temporary Food Facility (TFF) Permit of any person or organization that is providing food at a public event. All food vendors, including existing restaurants, are required to apply for a Temporary Food Facility Permit when participating in a temporary event.

**A TFF permit is valid for one single food booth only.** If a vendor is operating more than one booth at an event, a permit must be obtained for each booth location. Separate applications must be submitted. The **original** permit must be posted in the booth at all times, photocopies will not be accepted. If a vendor will be operating at more than one event in Imperial County on the same day, each location must also be permitted separately. This applies to all TFF permit types, including single and multi-event.

#### REQUIREMENTS

Refer to the California Retail Food Code (CalCode), Chapter 11 (Health & Safety Code, Sections 114335 to 114363) for Temporary Food Facility requirements. **Temporary Food Facilities must also meet all applicable requirements in CalCode Chapters 1 to 8, inclusive, Chapter 12.6, and Chapter 13, unless specifically exempted.**

The applicant must provide for each event a minimum of 20 gallons of potable water, container for collecting waste water and shall comply with the fully enclosed booth requirements. This only applies to vendors providing unpackaged foods and/or conducting food processing.

Applicants must provide for each event a minimum of 20 gallons of potable water, container for collecting waste water and shall comply with the fully enclosed booth requirements. This only applies to vendors providing unpackaged foods and/or conducting food processing.

If you already have a valid 6-month or 12-month "Temporary Food Facility Permit" issued by this department, please do the following:

- Provide the Event Organizer with a photocopy of your permit at least 2 weeks prior to the day of the event. Existing permit holders may be accepted less than two weeks prior to the event with the submittal of a late fee.
- The **original** permit must be posted in the booth when open for business, photocopies will not be accepted.

#### NON-PROFIT CHARITABLE ORGANIZATIONS

#### MOBILE FOOD FACILITY VENDORS

- Permitted mobile food facility vendors may operate at Temporary Events without additional permits if operating within mobile unit.
