 AGENDA ITEM**

SUBJECT:	DISCUSSION/ACTION: Consent Mayor Tucker to sign the Letter of Opposition to 1. Proposed CSU/SDSU Budget Cuts
DEPARTMENT INVOLVED:	
BACKGROUND/SUMMARY: The proposed 7.95% budget cuts to the CSU and UC systems - totaling \$572 million or 40% of the state's overall reductions - would disproportionately impact higher education at a time of significant financial uncertainty. For San Diego State University alone, this would mean a \$43 million deficit impacting the local campus as well.	
FISCAL IMPACT: No fiscal impact.	FINANCE INITIALS <div style="text-align: right;"><u>JMS</u></div>

Dear Chair Weiner, Chair Gabriel, Senator Laird, and Assemblymember Alvarez:

On behalf of the City of Imperial, I write to urge you to reject the Governor's proposed budget cuts of 7.95 percent each to the California State University (CSU) and the University of California (UC) systems.

The CSU and UC systems are facing significant financial challenges resulting from the likely and forthcoming extensive decreases in federal and state funding. The Governor's January budget proposes an overall budget cut of approximately \$1.4 billion, of which CSU and UC's combined cut totals \$572 million or about 40 percent of the total state budget cut. It is disproportionate and inequitable to ask CSU and UC to take such a drastic cut on behalf of the entire state, especially while facing extreme uncertainty regarding federal funding.

The 7.95 percent cut amounts to \$29 million for San Diego State University (SDSU). Factoring in the proposed deferred funding for the Compact with the Governor amounts to an additional loss of \$14 million more resulting in a \$43 cumulative deficit.

These cuts will have significant consequences across CSU and UC, including reductions to enrollment, increased class sizes, lengthened time-to-degree, pausing of construction, sustained

hiring freezes, and significant employee layoffs. This will also have substantial negative impacts on our regional economy.

San Diego State University is recognized as one of the top public research universities in the nation, with numerous undergraduate and graduate programs ranked in the top 10 nationally. Its nearly half a million alumni have played a vital role in driving the prosperity of the Imperial County region and the state of California. Sustained funding for the CSU and UC systems is essential to secure continued success for our students and communities.

For these reasons, I urge you to avoid the proposed budget cuts. Thank you for your consideration of this request. If you have questions, please contact our City Manager Dennis Morita at (760) 355-4371.

Sincerely,

James Tucker  
Mayor, City of Imperial
