I. INTRODUCTION

The City of Imperial, California (the “City”, “Imperial”), is located in the heart of most urbanized portions of Imperial County, California between the cities of Brawley (to the North) and El Centro (to the South). Imperial was created by the Imperial Land Company and was named by George Chaffey.

The City was plotted in 1902 for home and commercial businesses. Over the years it became the location for the home of the Imperial Irrigation District (IID), the California Mid-Winter Fair and the Imperial County airport (IPL).

The City of Imperial was incorporated as a City on July 12, 1904. It is a General Law City that operates under a Council-Manager form of government. The City of Imperial is committed to promoting and providing for the safety, health, and welfare of its citizens and business community.

The population of the City of Imperial, as of January 2024, is 22,141(CA Department of Finance). Imperial is a full-service city and encompasses an area of 6.29 square miles.

II. GENERAL INFORMATION

The City of Imperial (“City”) is requesting proposals from qualified, experienced and licensed contractors to provide annual weed abatement services at multiple designated City locations (maps attached for reference). The project will entail chemically spraying for weed control around buildings, water treatment plant, wastewater treatment plant, retention basins, parks and roads.

Qualified entities who are licensed through the **California Department of Pesticide Regulation (DPR)** are invited to submit written proposals for consideration in accordance with this request.

This request for proposal is for chemical spray abatement only. It excludes any physical removal of weeds and vegetation. Public Services and Parks Department are responsible for physically removing any dead weeds vegetation in the designated areas to be chemically treated. All work shall be subject to inspection and approval by the City.

Term of Contract and Regulation(s):

Contract Term: For one year from the award date unless terminated or extended in accordance with the provisions listed herein. The City of Imperial reserves the right to renew any resultant contract(s), if mutually agreeable with the consultant, for two (2) additional years in one (1) year increments with price changes limited to Price Changes paragraph below, unless prices are requested for a longer period in this RFP.

The contract will be regulated according to the provisions of all federal, state and local laws and ordinances that are applicable. This includes compliance with prevailing wage rates and their payment in accordance with California Labor Code, Section 1774. All Service Providers and sub-consultant(s) shall pay all workers not less than the general prevailing rate of per diem wages and the general prevailing rate for holiday and overtime work as determined by the Director of the Department of Industrial Relations, State of California, for the type of work performed and the locality in which the

work is to be performed, pursuant to Sections 1770 et seq. of the California Labor Code. Prevailing wage rates are available on the Internet at: <<http://www.dir.ca.gov>>. All Service Providers and sub-consultant(s) shall comply with the registration and qualification requirements pursuant to Sections 1725.5 and 1771.1 of the California Labor Code.

Price Changes

Prices will be firm for the contract term as specified in paragraph 2 above. After the term of the contract, the Consultant may request price increases that are limited to the increase in the Consultants actual documented cost of doing business or the appropriate CPI or PPI, whichever is lower. Written requests for price increases must be sent by Certified Mail-Return Receipt Requested. The City reserves the right to accept or reject the price increase within fifteen (15) days after receipt of the request. Should the City reject the price increase, the City reserves the right to cancel the contract and award to the next best Offeror or to solicit new proposals. No increase will be effective until approved in writing. Any decrease in the cost of the contract items shall be forwarded to the Purchasing Officer with immediate inception into the contract. Any decrease in pricing shall not be less than the appropriate CPI or PPI.

III. PROJECT POSTING AND SCHEDULING

This RFP is posted at the City of Imperial website at the following address: <https://cityofimperial.org/> under “Connect > Departments > Public Services > Related Pages > RFP & BID”. Consultants wishing to propose in response to this RFP must obtain this document from our website. Due to the fact that anyone can download the RFP and the City has no method for tracking the distribution, the City is not able to maintain a list of potential consultants and/or proposers and cannot provide individual notification of amendments or addendums to this RFP.

The City will therefore post any addendums to the RFP on the above-mentioned website. All consultants shall refer to the website to verify all addendums that have been issued and that they have acknowledged all such addendums in their proposal.

CONSULTANT shall submit to AGENCY, along with the certificate of insurance, a Waiver of Subrogation endorsement in favor of AGENCY, its officers, agents, employees and volunteers.

Umbrella or excess liability insurance. [Optional depending on limits required]. CONSULTANT shall obtain and maintain an umbrella or excess liability insurance policy with limits that will provide bodily injury, personal injury and property damage liability coverage at least as broad as the primary coverages set forth above, including commercial general liability, automobile liability, and employer's liability. Such policy or policies shall include the following terms and conditions:

- Pay on behalf of wording as opposed to reimbursement;
- Concurrency of effective dates with primary policies;
- Policies shall "follow form" to the underlying primary policies; and

- Insureds under primary policies shall also be insureds under the umbrella or excess policies.

Other provisions or requirements

Proof of insurance. CONSULTANT shall provide certificates of insurance to AGENCY as evidence of the insurance coverage required herein, along with a waiver of subrogation endorsement for workers' compensation. Insurance certificates and endorsements must be approved by Agency's Risk Manager prior to commencement of performance. Current certification of insurance shall be kept on file with AGENCY at all times during the term of this contract. AGENCY reserves the right to require complete, certified copies of all required insurance policies, at any time.

Duration of coverage. CONSULTANT shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property, which may arise from or in connection with the performance of the Work hereunder by CONSULTANT, his agents, representatives, employees or subconsultants.

Primary/noncontributing. Coverage provided by CONSULTANT shall be primary and any insurance or self-insurance procured or maintained by AGENCY shall not be required to contribute with it. The limits of insurance required herein may be satisfied by a combination of primary and umbrella or excess insurance. Any umbrella or excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and non-contributory basis for the benefit of AGENCY before the AGENCY's own insurance or self-insurance shall be called upon to protect it as a named insured.

Agency's rights of enforcement. In the event any policy of insurance required under this AGREEMENT does not comply with these specifications or is canceled and not replaced, AGENCY has the right but not the duty to obtain the insurance it deems necessary and any premium paid by AGENCY will be promptly reimbursed by CONSULTANT or AGENCY will withhold amounts sufficient to pay premium from CONSULTANT payments. In the alternative, AGENCY may cancel this AGREEMENT. Page

Acceptable insurers. All insurance policies shall be issued by an insurance company currently authorized by the Insurance Commissioner to transact business of insurance or is on the List of Approved Surplus Line Insurers in the State of California, with an assigned policyholders' Rating of A- (or higher) and Financial Size Category Class VI (or larger) in accordance with the latest edition of Best's Key Rating Guide, unless otherwise approved by the Agency's Risk Manager.

Waiver of subrogation. All insurance coverage maintained or procured pursuant to this agreement shall be endorsed to waive subrogation against AGENCY, its elected or appointed officers, agents, officials, employees and volunteers or shall specifically allow CONSULTANT or others providing insurance evidence in compliance with these specifications to waive their right of recovery prior to a loss. CONSULTANT hereby waives its own right of recovery against AGENCY, and shall require similar written express waivers and insurance clauses from each of its subconsultants.

Enforcement of contract provisions (non estoppel). CONSULTANT acknowledges and agrees that any actual or alleged failure on the part of the AGENCY to inform CONSULTANT of non compliance with any requirement imposes no additional obligations on the AGENCY nor does it waive any rights hereunder.

Requirements not limiting. Requirements of specific coverage features or limits contained in this Section are not intended as a limitation on coverage, limits or other requirements, or a waiver of any coverage normally provided by any insurance. Specific reference to a given coverage feature is for purposes of clarification only as it pertains to a given issue and is not intended by any party or insured to be all inclusive, or to the exclusion of other coverage, or a waiver of any type. If the Consultant maintains higher limits than the minimums shown above, the AGENCY requires and shall be entitled to coverage for the higher limits maintained by the Consultant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the AGENCY.

Notice of cancellation. Consultant agrees to oblige its insurance agent or broker and insurers to provide to AGENCY with a thirty (30) day notice of cancellation (except for nonpayment for which a ten (10) day notice is required) or nonrenewal of coverage for each required coverage.

Additional insured status. General liability policies shall provide or be endorsed to provide that AGENCY and its officers, officials, employees, and agents, and volunteers shall be additional insureds under such policies. This provision shall also apply to any excess/umbrella liability policies.

Prohibition of undisclosed coverage limitations. None of the coverages required herein will be in compliance with these requirements if they include any limiting endorsement of any kind that has not been first submitted to AGENCY and approved of in writing.

Separation of insureds. A severability of interests provision must apply for all additional insureds ensuring that Consultant's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the insurer's limits of liability. The policy(ies) shall not contain any cross-liability exclusions.

Pass through clause. CONSULTANT agrees to ensure that its subconsultants, subcontractors, and any other party involved with the project who is brought onto or involved in the project by CONSULTANT, provide the same minimum insurance coverage and endorsements required of CONSULTANT. CONSULTANT agrees to monitor and review all such coverage and assumes all responsibility for ensuring that such coverage is provided in conformity with the requirements of this section. CONSULTANT agrees that upon request, all agreements with consultants, subcontractors, and others engaged in the project will be submitted to AGENCY for review.

Self-insured retentions. Any self-insured retentions must be declared to and approved by AGENCY. AGENCY reserves the right to require that self-insured retentions be eliminated, lowered, or replaced by a deductible. Self-insurance will not be considered to comply with these specifications unless approved by AGENCY.

Timely notice of claims. CONSULTANT shall give AGENCY prompt and timely notice of claims made or suits instituted that arise out of or result from CONSULTANT's performance

under this AGREEMENT, and that involve or may involve coverage under any of the required liability policies. Notice to Agency not to exceed ten (10) days.

Additional insurance. CONSULTANT shall also procure and maintain, at its own cost and expense, any additional kinds of insurance, which in its own judgment may be necessary for its proper protection and prosecution of the work.
